Thanks My favorite part of being agamerthat s a girl is having games around me all my life and with every generation I m amazed at the creativity and great experiences that are being released Aug 2 2023 If you wanna find agamergirlfriend you gotta meet them IRL I know its scary but it is what it is you should try going to arcades or anime gaming conventions and try making friends there you could also try dating apps like bumble and matching withgirlsthat play videogames Agamergirl is a stereotype that doesnt exist in real life

Also to OP if you ever do meet a girl who ACTUALLY acts in the way the Minkz described approach with caution man seriously Nov 20 2023 I m having a hard time findinggamer girls
