go to find yaoi hentai? I'm specifically looking for websites that specialize in  
videos rather than images

I was on boyfriend and they do have animations but they're never as good as  
hetero ones

I hate hetero porn so I can never find anything other than 3D stuff By intense  
yaoi hentai do you mean anime with sex like in straight hentai? Unfortunately there  
are very few and one's with sex scenes can be counted on your fingers r
