As for feeling the actual semen entering her she says she doesn t Cummingon agirl s face has nothing to do with the degradation of women to me. To me it is just something I have always thought of as sexy and something I liked. It just feels complete just likecumminginside agirl

And cum is not the same as pee. To say that is completely ignorant and hypocritical Others seemed to absolutely crave it. I suck a lot of men and it took me a long time to get comfortable with guyscummingin my mouth

I started thinking about those who did like to suck and swallow and have now progressed so I always swallow the semen when a man cums in my mouth A female reader anonymous writes 24 February 2008 Although I have not let it happen to me yet I want to touch on the idea ofcummingon your girlfriend being degrading

More than anything I really think it depends on the depth of the relationship Well thisgirlasked my wife how many dicks she s had in her

I was very shocked but my wife answered truthfully which is 1 she was a virgin when we met and got engaged 18 A male reader anonymous writes 19 January 2010 there are several reasons why some of us guys like to push thegirl s head down during a blowjob

If there is no rythm or thegirlhas bad technique it might be done to show her how to do it or just to get the rythm. Often we do it to make her go deeper it feels good down the throat and if she gags on it the throat feels so tight

My husband I discussed it at length
