Why does my girlfriend talk and talk aboutherselfand her family and her part time job and does not talk about us or me and stuff. When I pick her up after work she just talks and talks about her shift and what she did and its gets too much Apr 14 2011 The work on herselfpart MIGHT be true

If she has issues interfering with her enjoyment of relationships she may want to do something before staying in one maybe going to counseling or working on her body image and self confidence or deciding between sowing some more wild ots or being committed etc.etc whatever the problem may be Well first of all I would ve said something like nah baby thatgirlaint nothing compared to you!! you are beautiful and I dont think yall look anything alike!! you might just have to tell a little white lie just to make yourgirlfeel good aboutherselfcuz alot of girls out there are very self conscious about themselves!! One thing led to another and he ended upfingeringme

I felt really really bad because I really love my boyfriend more than words can describe and I did that to him Maybe you think love is all about drama and conflict and climbing mountains and killing dragons to win thegirl

You proveherselfworthy and eventually she understands you are her knight in shining armour If you regirlis too busy to see you and stands you up on Valentine s day you re OUT I m afraid to say buddy. The fact she won t even make it up to you is also a sign

If she really wanted to see you she d make time for you somewhere

However she is getting on with her life WITHOUT you in it Question 15 October 2010 12 Answers Newest 19 October 2010 A male age *ewuoygy writes There are many questions posted about losing virginity on this board? But I want to know exactly what it means by losing virginity

1 Penetration of the penis into the vagina with the result that the woman s hymen is broken. For both the male and the female in this case virginity is lost. This Now don t try to get her into trouble

Firstly it won t work because she is at least twice as smart and three times as devious as you are and secondly you aren t a silly littlegirlplaying silly little games are you? Let her getherselfinto trouble and it s not hard to do

What you have to do is to play her game and win She may still be so embarrassed and upset withherselfthat she needs to stand her ground. I d approach the discussion about it from a different stance one of loving and caring concern. And a calm explanation of the way the revelation made you feel too

Good luck and don t let your friends drive home with too much booze in them!
