I obviously do not want to provide proof to the public that I am who I am for the sake of my own safety and hoping the people who run this page will allow that but I am a 21 year old F who was one out of the many women that have been lied to blackmailed and scammed into exploitation by the companyGirlsDoPorn Apr 29 2023 On Jan 24 2023 Foster had plead guilty to conspiring to stalk victims of theGirlsDoPornsex trafficking ring

The plea was over creating the video 22 Whores + 5 Shady Lawyers VSGirlsDoPorn to intimidate and retaliate against the Jane Does that was not released because the feds raided the GDP office. He did this at Pratt and Wolfe s instructions

As part of his plea he also admitted May 23 2020 I always felt that her story was the hardest to read even in the court documents. In this exclusive interview with anti porn site Fight the New Drug she goes into more detail than what is available in the court docs

What the interview doesn t mention are the physical side effects she still experiences such as breakouts of hives and her needing to get an emotional support dog etc

That part is Customer I was on Pornhub and I searched girls do porn which prompted a warning from the website saying it was illegal search and harmful activity but nothing in that seems to be illegal

the search I made doesnt indicate harmful pornography I would think its a common search but it seems to be flagged. Will I be involved in legal trouble for this? I dont think I looked up Oct 4 2023 62 GDP victims file case against Aylo formerly Mindgeek seeking millions each
