Jul 19 2023 Anybody got any advice on how to catch the golden trout for the barbless spoon spinner mission at Rocky? Im using the purple narrow that it recommends and switch between Stop Go and Twitching

I keep catching trophy cutthroats and rainbows but not a single golden May 8 2023 Golden trout come out in river clifftops between 4pm 9am. In the Northern Hemisphere they come out March May then September November. Southern Hemisphere are the same months. I m in the same boat but it s my fault

I m rarely on after noon and almost never at night. Good Luck!! Oct 25 2023 I can not for the life of me catch the bronze rank golden trout in the Emerald Plateau Fishing Challenge

Those of you who have completed the challenge what was your strategy? The Stardew wiki says trout have a 33% chance of having a golden ticket but I caught 42 rainbow trout in total 22 on day 1 and not a single ticket and 20 on day 2 and I got 4 tickets in total

So either the actual chances are heavily influenced by luck or the real number is only like 10% or something Nov 21 2023 How do you get the trophy Colorado golden trout in event at rocky lake? Been at it for hours irl and got 1 only where is the spot and hook size? Nov 4 2023 Hey any suggestions on catching a bronze golden trout? I ve been up and down hook sizes from 8 to 3 used spinners and spoons of every size cheese marshmallow and redworm and caught every other species in that small area Apr 13 2024 trueAfter hours of trial an error I figured out the proper bait to use for each type of fish in order to beat the record

And I am willing to share that info willingly [Arctic Grayling 3lbs Salmon Egg] [Bull Trout 21lbs Trout Buzzer] [Chinook 27lbs Salmon Egg] [Golden Trout 4lbs Bass Popper] [Kokanee 6lbs Salmon Egg] [Lake Trout 37lbs Trout Buzzer] [Largemouth 8lbs Dec 16 2006 From a previous post of mine with some editing The current Oregon record for golden trout is listed as seven pounds ten ounces caught by Douglas White in the Eagle Cap Wilderness in 1987

There aren t that many places in Oregon where golden trout can be caught. Indeed the total biomass of those fish is probably not much more than ten pounds Oct 9 2023 Okay guys after some experimenting I finally got a bronze golden trout! Looks like you have to hook down a LOT

Caught it second cast and I used a 9 spinner keeping it close to the top and reeling in at a 2 speed. Caught on the south eastern side of the pond casting north through the first set of lilly pads

0.95 lb 0.56 ft Score of 11 Mar 22 2016 I would suggest not identifying any
