Did you say grandmabrownies chocolate chunker wunker bunkers now with even bigger chunks of chocolate chunks? Yeah I feel that people assuming an older mom might be thegrandma isnt insinuating you look old like a grandma but more so they come from a family where having kids younger is more common

Lots of people in my family became grandparents by 40 but having kids young was super common in my family Aug 17 2022 1.2K subscribers in the stream2watch community. Want to make something new? Message me Grandmacore refers to furniture fashion and other items with a distinct Grandma aesthetic

Cross posting encouraged. If you should encounter any beautiful grandmacore artifacts in the wild please do post about them here My baby is 3 and half months old now and my Mom cannot not seem to settle on a grandmaname. Theres not a single one she loves

We are in the South and she is definitely not a Nana Memaw Mamaw Granny type. We have thrown around Yaya Bebe Grams and she thinks those are okay but not in love with them

We already have 2 Grandmas a Gigi and a Mimi in the family between my MIL stepmom Lets rate your ThickandCurves My paternalgrandmawas a beautiful abused dark skinned woman suffering with self hatred. My dad was lighter skinned and I am what I like to call plain brown but I was too dark for her

She would give my sis who is lighter than me real toys. Like real barbies vs the soft plastic dollar store ones she got me Aug 10 2021 The things Grandma used to say to me without my parents around were beyond the addled ramblings of a mind ravaged by a degenerative condition

Even as a kid I knew the difference between confused nonsense and deliberate malicious intent I bought my grandmaa kindle fire 10 last year for Christmas because she cant figure out how to use a computer and she wanted to be able to use Facebook for her grandkids

She also buys Stephen King novels for it and I gave her my Netflix password so she can watch stranger things

In the past Ive bought her bedsheets and perfume Grandma is made with a heavily cooked sauce which is different from the either lightly cooked sauce or uncooked sauce that goes on a regular NY pie. Grandmasauce often contains lots of onions and may have a carrot or sugar added in like when making marinara

I wouldnt call it all candy sweet though. Depends where you got it. Reply reply.
