Did you say grandmabrownies chocolate chunker wunker bunkers now with even bigger chunks of chocolate chunks? Yeah I feel that people assuming an older mom might be thegrandmaisnt insinuating you look old like agrandma but more so they come from a family where having kids younger is more common

Lots of people in my family became grandparents by 40 but having kids young was super common in my family Aug 17 2022 1.2K subscribers in the stream2watch community. Want to make something new? Message me Grandmacore refers to furniture fashion and other items with a dinstinct Grandma aesthetic

Cross posting encouraged. If you should encounter any beautiful grandmacore artifacts in the wild please do post about them here My baby is 3 and half months old now and my Mom cannot not seem to settle on agrandmaname. Theres not a single one she loves

We are in the South and she is definitely not a Nana Memaw Mamaw Granny type. We have thrown around Yaya Bebe Grams and she thinks those are okay but not in love with them

We already have 2 Grandmas a Gigi and a Mimi in the family between my MIL stepmom Lets rate your ThickandCurves My paternalgrandmawas a beautiful abused dark skinned woman suffering with self hatred. My dad was lighter skinned and I am what I like to call plain brown but I was too dark for her

She would give my sis who is lighter than me real toys. Like real barbies vs the soft plastic dollar store ones she got me Nov 27 2022
GrandmaShirleysvideoshelped me get into Skyrim

She seems like a wonderful lady and it makes my heart so happy that a person of her age can still appreciate and enjoy a video game! Aug 10 2021 The thingsGrandmaused to say to me without my parents around were beyond the addled ramblings of a mind ravaged by a degenerative condition

Even as a kid I knew the difference between confused nonsense and deliberate malicious intent I bought mygrandmaa kindle fire 10 last year for Christmas because she cant figure out how to use a computer and she wanted to be able to use Facebook for her grandkids

She also buys Stephen King novels for it and I gave her my Netflix password so she can watch stranger things. In the past Ive bought her bedsheets and perfume.
