Sep 5 2022 [quote]Diana Ross with Lucille Ball and Dinah Shore performed Dinah a song by Bing Crosby Does anyone else HATE it when people attribute songs to a person who sang them but had nothing to do with composing them or in this case even being the first person who recorded it? No one gives credit to composers or lyricists Jan 10 2024 R24 at least Diana Ross can sing

Selena Gomez basically just recites her songs and the overproduction of them tries to cover up her lack of any vocal talent Nov 18 2024 Does she mention her friendship with Diana Ross throughout the 60s and 70s which hit the skids in the 80s when Simmons dumped Cher for her friend Diana ? As a side note Ross has credited Cher in the past for choosing the iconic cover photo of her 1980 album diana May 11 2025 r82 Some do

As much as I dislike her for associating with shit like Alok Jodie Foster was and most likely still is an involved hands on mum. I remember her saying how taken aback she was at other wealthy parents not even giving their kids baths

Diana Ross is the same Aug 2 2025 I particularly like the masterwork of Diana s face Dec 4 2020 And the rumors surrounding Mariah s behavior towards Donna Summer at the Diana Ross show make her recollection of it a little suspect

But yeah it s clear she came from a very dysfunctional environment Aug 14 2020 I saw Lea Michele knock down six people to get front row to the Barbra Streisand in Central Park concert. I saw Mary Wilson sit front row and snap her gum through the first Diana Ross in Central Park concert

That s really why they ended the first concert early not because of the rain Nov 27 2020 There is no way in hell that Stevie DIDNT want a Farrah or Diana Ross level of stardom and she could have had it if Tusk was a more commercially approachable album May 27 2022 Again talking about Diana Ross I have watched a clip about her family on Youtube

One of her five kids has black father the other four have white father. I was astonished to see the comments of black people on the clip

Almost everyone was praising the oldest child a daughter she had with black man Mar 31 2019 QE2 s sympathy for Diana stemmed from the close association between the Spencers and the Windsors
