The noun group is a collective noun

A collective noun group family company team usually takes a singular verb when the members of the group are acting together as a unit. Ex. The family is packing for a trip. A collective noun can take a plural verb when the members of the group are acting as individuals

Ex. The couple are taking separate cars to work today. You can read more After all iPhones were updated to iOS 18 with RCS compatibility from their carrier group chats broke. New messages from one of the iPhones send as RCS in a new group chat and do not use the existing group chat

The iPhones do not have any duplicate group chats created RCS is now available for texting between Android and iPhones. Learn how to turn on RCS chats on your Android phone link

Privacy Policy Terms of Service Community You can start or join conversations in Google Groups by posting a new message or responding to posted messages in your groups

Start a new conversation Start a group discussion about a topic you Freeze group hide or merge rows columns To pin data in the same place and see it when you scroll you can freeze rows or columns. On your computer open a spreadsheet in Google Sheets

Select a row or column you want to freeze or unfreeze. At the top click View Freeze. Select how many rows or columns to freeze. To unfreeze select a row Join or leave a family on Google When you join a family group you can share family services across Google with up to 5 family members

Important The 6 family member limit means that the family group can have a maximum of 5 family members and one family manager even if some haven't accepted their invitations yet Group messages How do I remove someone from a group message? Group details Tap and hold name. And just tap on name

No remove option Create and manage your family group Keep your family connected across Google products and services I Have a Google pixel 9 I use the messages app Google as my default text messaging app. I keep randomly receiving messages stating that I've either joined or been added to a group

The messages typically have the red icon that seems like it's been identified as spam but it is not in my spam folder It is in my regular folder.
