hamstereyes closed not moving posted in Ailments Injuries Myhamsterwas still fine and jumping about yesterday but today it is not moving. When I pick it up on my palm it will move a few steps then it stop moving again. And the eyes is always closed

I also notice the underside there is a small area with less fur and kind of reddish skin can it be injuries? I had anotherhamsterand HamsterSuddenly Biting posted in Behaviour Personality Handling Taming Hello I m new here! I know there are many posts about biting hamsters but my situation is slightly different Where I live in the UK the only places available for buying ahamsterare Petsathome and Jollyes which both use breeding mills as far as I know

I could possibly adopt ahamsterfrom pets at home but I m not too keen because I know that internal issues illnesses are bred through hamsters in mills Hamsterkeeps trying to escape posted in Supplies Accessories Hey so I bought my 8 9 week old Syrian last week on the 29th of March I knew that he d need some time to get used to the new surrounding so I left him alone for 2 3 days the only time he saw me was when I gave him food or changed his bedding Page 1 of 21 Recipes for Hamsters posted in Food Nutrition I think it would be a neat idea for people to show off some of the treats recipes they make for theirhamster! I haven t done mine yet but you could look to this site for ideas Cookin for LucySo please any time you create a Recipe SHARE! We ll have spoiled hamsters across the globe! Page 1 of 2 Is an IKEA Detolf big enough for a SyrianHamster? posted in Supplies Accessories Hello! So I was thinking about what cage I should get a while ago and I was leaning towards an IKEA Detolf

It is pretty affordable for me and quite large so thats why I wanted it. Ive basically decided on it so whats done is done but I would like to know if it is an appropriate size

Ive Page 1 of 4 coolest toy you have ever seen posted inHamsterToys Gallery whats the coolesthamstertoy you have ever seen? I have a few The German wood toys are really cool Melamine is a popular choice for wood DIY cages since it s pee proof and very difficult for hamsters to chew through Page 1 of 2 Myhamstercan hardly move anymore posted in Ailments Injuries Iam very worried about myHamster

He always has been in a very good shape running around my room or the living room eating destroying his cage drinking etc except that he always has been really precautious he was really full of life

Now he almost turns 3 years old and from these weeks on he s going backwards Page 1 of 2 How long will this bedding last? posted in Supplies Accessories Hello! So I just bought a bin cage for my soon to behamster. It is 463.875
