How's your oxygen today? While this is a snark page please be kind and considerate when posting! Hannah is someone who has been criticised and slandered all over the internet

She needs to take public actions in order to cement her support. Due to my own point of view I hope that she doesn't present this as black and white as other creators

I hope that she recognises the complexity of the situation but doesn't downplay the victims. There is an opportunity to sleep with Hannah at your house but that sours Lisa's opinion of you

Provided you do all of that you will get the option in the park 3rd time that will send you to her ending 6 Nov 19 2020. Hiii new to her YouTube and just watching all the videos. What happened with her and Matt?.
