StartingHannahRoute On my first play through I was able to getHannah s route to
start randomly by walking in the park with Lisa but I lost that game before
saving

On the next go through I can t seem to get her meeting to spawn. Are there
requirements needed before she shows up? Hannahis someone who has been
criticised and slandered all over the internet. She needs to take public actions
in order to cement her support

Due to my own point of view I hope that she doesnt present this as black and
white as other creators. I hope that she recognises the complexity of the
situation but doesnt downplay the victims There is an opportunity to sleep
withHannahat your house but that sours Lisa opinion of you

Provided you do all of that you will get the option in the park 3rd time that
will send you to her ending 6.
