Jan 29 2025 Starting Hannah Route On my first play through I was able to get Hannah's route to start randomly by walking in the park with Lisa but I lost that game before saving

On the next go through I can't seem to get her meeting to spawn. Are there requirements needed before she shows up? Hannah is someone who has been criticised and slandered all over the internet. She needs to take public actions in order to cement her support

Due to my own point of view I hope that she doesn't present this as black and white as other creators. I hope that she recognises the complexity of the situation but doesn't downplay the victims. There is an opportunity to sleep with Hannah at your house but that sours Lisa's opinion of you

Provided you do all of that you will get the option in the park 3rd time that will send you to her ending 6.
