1 Hit the road doesn't just mean to leave nor does it necessarily mean you are actually on a road. The origin of the term is from horses hitting the road with their hooves.

And technically just walking would be hitting the road since you'd be stamping your feet against it. The same for a car with its tire. Oct 13 2014 Where the rubber meets the road is the most important point for something the moment of truth.

An athlete can train all day but the race is where the rubber meets the road and they'll know how good they really are.

All the definitions have a common thread about getting things done being a turning point a crucible Feb 6 2014 8 When where the rubber hits meets the road refers to the point at which an abstract idea or plan is tested out in practice.

For example The launch plan looks solid but when the rubber hits the road it may still need some adjustments. We will just have to wait and see how the weather looks on the day.

The plan looks good in theory Mar 27 2018 I'm looking for an alternative to hit the ground running which is not quite so colloquial informal. For context it's about a two day hands on computer course.

I want to create a similar sense of Apr 20 2011 Possible sources Partridge says it's US and Canada slang from c.

1930 and that Norman Franklin says 1976 the original reference is to the agricultural muck spreader and also mentions the following joke as perhaps valid. The Online Etymology Dictionary says The expression [the shit hits the fan] is related to and may well derive from an old joke.

A man in a crowded bar needed to May 14 2018 Hard to know if the key request here is skill into his brain instantly and whether it was really sense of full on practical experience in the other rather than hit the ground running which was in the title of both and perhaps slightly off for both I actually have two questions regarding this poem The Road Not Taken by Robert Frost Two roads diverged in a yellow wood And sorry I could not travel both And be one traveler Jan 28 2018 The relevant definition in the full OED hit verb section 2 is To come upon light upon meet with get at attain to reach one's aim succeed and the like of which they say This is the Old Norse sense but with the exception of the single late Old English instance in sense 11 its exemplification in English as a whole is later.

Sense 11 referred to there is the first one in that second Sep 14 2018 To leave the mining metaphors behind we could use a more broad idiom Clear road Item 3
