Jun 16 2009 I have ahorsethat is down. Went down Sunday. He will sit up and tries to get up but can t seem to get his rear end up. The vet gave me banamine along with two other meds yesterday

They said that should help get him up. The vet told me to spook him and he should get up. I have wacked his rear Feb 28 2010 An uprighthorseshoulder conformation is best for gaited or park showing parade horses and activities requiring a quick burst of speed like roping or QuarterHorseracing

Laid Back Sloping shoulder Nov 21 2008 In fact American QuarterHorsetallion My Royal Lark claimed the Grand Champion First Levelhorsetitle at the USDFs Southern Comfort Zada Cup at the Clarcona Equestrian Park in Orlando Florida amid a competitive field of Dutch Warmbloods Hanoverians Oldenburgs and Westfalens breeds that have traditionally excelled at dressage Dec 11 2024 Thehorsel chose was an unbroken 2 year old appaloosa raised on the prairie never having been handled

He was rangy and awkward as a two year old but I thought he had potential and I could afford him on my starting salary Dec 8 2024 Teacher20 OurhorseChuck gets a swollen sheath periodically and will also rub sometimes get a sore. It s rare for them to happen concurrently

The swelling when I was still riding would generally go down after going out on a hack

The sore s usually occurs when he is able to find something to rub on branch of a bush or a palm frond Dec 28 2024 A minihorseshould be no taller then 34 maybe 38 inches at the withers and they are more refine looking as in bone neck head just over all build different

Yes I agree they look like full sized horses very refined just shrunken down. Various types and breeds falabella and american miniaturehorseetc Aug 7 2020 My mare recently foundered and has developed a mild coffin bone rotation

The farrier has been out and she has been through 2 courses of drugs prescribed by the vet but is still recovering so I am looking into therapy boots for her

Does anyone have experience with the EASY BOOT CLOUD or the Jan 31 2025 I saw this I thought about it and now Im wondering if this actually seems legitimate

Its basically a mouth guard for yourhorse it claims to soften the bits contact without altering the bits action it seems like a good idea for sensitive horses

BUT it is crazy expensive! I was thing ok Jan 24 2025 Cross firing Equimed HorseHealth Matters Learn about the gait problem in some horses known as Cross firing how it may relate to thehorse s conformation the examination necessary to
