Welcome to the TRAIN Learning Network. TRAIN is a national learning network that provides quality training opportunities for professionals who protect and improve the public's health. Log in to TRAIN to unlock a world of public health training resources by logging into TRAIN. Once you've set your password and logged into TRAINPA, it's essential that you update your account information.

Without accurate account information, you may not be able to access important training and information. TRAIN connects millions of learners to training from government agencies, academic institutions, nonprofits, and professional associations, expanding access to knowledge and advancing the public health workforce. If you have never registered using the TRAIN website, please follow directions below. Log on to <http://ct.trainvia.theinternetto.setupyourpersonalaccount>. Search and Register for a Course in CDC TRAIN. Once you have created a learner account in CDC TRAIN, you can search and register for a course by completing the following steps. Once logged onto CDC TRAIN and a member of the learning group with completed Learning Group Registration form, learners will be able to register for courses on the Training Plan. If you use TRAINPA primarily outside of work, it's recommended to use your home information.

If you use TRAINPA primarily because of a volunteer role such as an EMS provider or firefighter, you may use the address of your volunteer organization if appropriate. TRAIN is a Learning Management System (LMS) with the most comprehensive clearinghouse of public health and preparedness training available on the web. CDC TRAIN is CDC's external learning management system, a learning resource for public health professionals and an affiliate of the Public Health Foundation Training Finder, Realtime Affiliate Integrated Network TRAIN.
