Recently one of my friends told me that there is distinct difference between knowof something and knowabout something expressions

knowof is used when you have personal experience with wha Feb 25 2012 What is the correct usage of phrase you don't know what you don't know ? Can it be used in formal conversation writing? Feb 23 2015 Knowin 1 refers to the clause that comes right before it so there's no pronoun necessary it's essentially a transform of I know it's your job

In 2 however the object of know is not indicated as you point out so something must be provided Possible duplicate of Knowabout vs. knowof

Also What are the differences between know knowabout and knowof? on English Language Learners which is probably a better site for questions like this Dec 7 2019 If you know about a subject you have studied it or taken an interest in it and understand part or all of it

Hire someone with experience someone who knows about real estate Jun 9 2024 Why do you think that He doesn't know him from his schooldays means that he doesn't know him? It would only have that sense if you added something like In fact he first met him at university I'm confused in whether to write know or knows in the following statement The ones who are included know better

? Also explain the difference between the two thanks Jul 6 2018 Do you know that he will be our coach? Do you know if he will be our coach? I think both sentences are grammatically ok just meaning two different things

In the first sentence it's decided that For me know implies knowledge of details or individual pieces while am aware of implies a knowledge only of a whole. Using your example knowing my rights means that I know I have the right to remain silent the right to be represented by an attorney etc

Being aware of my rights might mean the same thing but implies that I know that I do have rights but am not sure what those rights are Jan 3 2017 The sentence I'm writing goes like this As much as I love the pure sciences I know now a well rounded education is valuable

But the words know and now are so similar that every time I read.
