Recently one of my friends told methatthere is distinct difference between knowof something and knowabout something expressions

knowof is used when you have personal experience with wha Feb 25 2012 What is the correct usage of phrase you don tknowwhat you don tknow ? Can it be used in formal conversation writing? Possible duplicate of Knowabout vs. knowof

Also What are the differences between know knowabout and knowof? on English Language Learners which is probably a better site for questions like this Dec 7 2019 If youknowabout a subject you have studied it or taken an interest in it and understand part or all of it

Hire someone with experience someone who knows about real estate Feb 23 2015 Knowin 1 refers to the clausethatcomes right before it so there s no pronoun necessary it s essentially a transform ofI knowit s your job

In 2 however the object ofknowis not indicated as you point out so something must be provided Jun 9 2024 Why do you thinkthatHe doesn tknowhim from his schooldays meansthathe doesknowhim? It would only havethatsense if you added something like In fact he first met him at university I m confused in whether to writenowor knows in the following statement The ones who are includedknowbetter

? Also explain the difference between the two thanks Jul 6 2018 Do youknow thathe will be our coach? Do youknowif he will be our coach?Ithink both sentences are grammatically ok just meaning two different things

In the first sentence it s decided th For me knowimplies knowledge of details or individual pieces while am aware of implies a knowledge only of a whole. Using your example knowing my rights meansthat I know Ihave the right to remain silent the right to be represented by an attorney etc

Being aware of my rights might mean the same thing but impliesthat I know that Ido have rights but am not sure what those rights are Jan 3 2017 The sentence m writing goes like this As much asIlove the pure sciences I knownow a well rounded education is valuable

But the words know and now are so similarthatevery timeIread.
