Recently one of my friends told methatthere is distinct difference between
knowof something and knowabout something expressions

knowof is used when you have personal experience with wha Feb 25 2012 What is
the correct usage of phrase you don tknowwhat you don tknow ? Can it be used in
formal conversation writing? Feb 23 2015 Knowin 1 refers to the clausesthatcomes
right before it so there s no pronoun necessary it s essentially a transform of
knowit s your job

In 2 however the object ofknowis not indicated as you point out so something
must be provided Possible duplicate of Knowabout vs. knowof

Also What are the differences between know knowabout and knowof? on English
Language Learners which is probably a better site for questions like this Dec 7
2019 If youknowabout a subject you have studied it or taken an interest in it
and understand part or all of it

Hire someone with experience someone who knows about real estate Jun 9 2024 Why
do you thinkthatHe doesn t knowhim from his schooldays meansthathe doesknowhim?
It would only havethatsense if you added something like In fact he first met him
at university I m confused in whether to writeknowor knows in the following
statement The ones who are includedknowbetter

? Also explain the difference between the two thanks Jul 6 2018 Do youknow
thathe will be our coach? Do youknowif he will be our coach?Ithink both
sentences are grammatically ok just meaning two different things

In the first sentence it s decided th For me knowimplies knowledge of details or
individual pieces while am aware of implies a knowledge only of a whole. Using
your example knowing my rights meansthat I know I have the right to remain silent
the right to be represented by an attorney etc

Being aware of my rights might mean the same thing but impliesthat I know that
I do have rights but am not sure what those rights are Jul 17 2022 In my
understanding as weknowit usually follows a noun phrase and means like The
building as weknowit = the version condition of the building weknownow

First I m not sure about its grammar. Is the as a conjunction? Is it correct to
thinkthat it changes to them ? E.g. the buildings as weknowthem Second a
question about its use. Is it possible to use when the preceding.
