Recently one of my friends told methatthere is distinct difference between knowof something and knowabout something expressions

knowof is used when you have personal experience with wha Feb 25 2012 What is the correct usage of phrase you don tknowwhat you don tknow ? Can it be used in formal conversation writing? Feb 23 2015 Knowin 1 refers to the clausesthatcomes right before it so there s no pronoun necessary it s essentially a transform of knowit s your job

In 2 however the object ofknowis not indicated as you point out so something must be provided Possible duplicate of Knowabout vs. knowof

Also What are the differences between know knowabout and knowof? on English Language Learners which is probably a better site for questions like this Dec 7 2019 If youknowabout a subject you have studied it or taken an interest in it and understand part or all of it

Hire someone with experience someone who knows about real estate Jun 9 2024 Why do you thinkthatHe doesn t knowhim from his schooldays meansthathe doesknowhim? It would only havethatsense if you added something like In fact he first met him at university I m confused in whether to writeknowor knows in the following statement The ones who are includedknowbetter

? Also explain the difference between the two thanks For me knowimplies knowledge of details or individual pieces while am aware of implies a knowledge only of a whole

Using your example knowing my rights meansthat I know I have the right to remain silent the right to be represented by an attorney etc

Being aware of my rights might mean the same thing but impliesthat I know that I do have rights but am not sure what those rights are Jul 17 2022 In my understanding as weknowit usually follows a noun phrase and means like The building as weknowit = the version condition of the building weknownow

First I m not sure about its grammar. Is the as a conjunction? Is it correct to thinkthat it changes to them ? E.g. the buildings as weknowthem Second a question about its use. Is it possible to use when the preceding Jan 3 2020 or I knowwhothatis in a phone conversation

We use the determiner this to refer to someone whose voice we literally hold in our hand. A third party hearing us on the phone might ask us Who is that? but this is always used to refer to the party on one s own line.
