They'll have one conversation with a woman and ask for her number and if not then whatever they forget it and move on. Apr 30 2023 I know this is an old thread but a tip: read once was to give her your number. That way you will put off the pressure from her in the moment and then can the girl decide if she wants to add your number or not

Reply reply more reply More replies JustSumGuyOnReddit I know you may think she's staring at something behind you or looking at somebody that happens to be close by you but let's be honest here

If you're consistently finding her gaze at you even when you move locations she's staring at something she likes which is you. Aug 7 2021 You are never going to know. Even if you perform a medical exam you still couldn't be sure in a lot of cases

There is no magical way for you to sniff out a virgin. Things like if 1. her eyes widen 2. her nose flares 3. you can visibly see that she tenses up 4

immediately says no without looking at you. I mean these aren't set things that a girl does but if she does any of these she probably likes you

And if she does more than one congrats she likes you. Feb 16 2023 I know for myself and many others we tend to be pretty dense about what's flirting from another woman and what's just friendly behavior

What are some things you do to drop hints that you're 100% into someone? May 10 2023 I wanted to let you know that I just finished putting together my eBook How to Date Any Girl version 4.0 and would LOVE to get some honest feedback from you! I decided to give it away for free for the first 100 people who join my mailing list. I am a bot and this action was performed automatically

Please contact the moderators of this subreddit if you have any questions or concerns. Aug 25 2021 I made a general list of red flags in women. Every situation is different. Not every red flag necessarily means the relationship is doomed sometimes you need to just work around it

This isn't an all-inclusive list and can usually work for both genders but I was requested to make one specifically for women. Jan 24 2023 I know many people think that I'm only apologizing because I got called out from the video I posted and this is half right
