Recently one of my friends told me that there is distinct difference between knowof something and knowabout something expressions

knowof is used when you have personal experience with wha Feb 25 2012 Whatis the correct usage of phrase you don tknow whatyou don tknow ? Can it be used in formal conversation writing? Possible duplicate of Knowabout vs. knowof

AlsoWhatare the differences between know knowabout and knowof? on English Language Learners which is probably a better site for questionslikethis Dec 7 2019 If youknowabout a subject you have studied it or taken an interest in it and understand part or all of it

Hire someone with experience someone who knows about real estate Feb 23 2015 Knowin 1 refers to the clause that comes right before it so there s no pronoun necessary it s essentially a transform ofI knowit s your job

In 2 however the object ofknowis not indicated as you point out so something must be provided Jun 9 2024 Why do you think that He doesn tknowhim from his schooldays means that he doesknowhim? It would only have that sense if you added somethinglikeln fact he first met him at university I m confused in whether to writenknowor knows in the following statement The ones who are includedknowbetter

? Also explain the difference between the two thanks Jul 6 2018 Do youknowthat he will be our coach? Do youknowif he will be our coach?Ithink both sentences are grammatically ok just meaning two different things

In the first sentence it s decided th For me knowimplies knowledge of details or individual pieces while am aware of implies a knowledge only of a whole. Using your example knowing my rights means thatI know Ihave the right to remain silent the right to be represented by an attorney etc

Being aware of my rights might mean the same thing but implies thatI knowthatI do have rights but am not surewhatthose rights are Jan 3 2017 The sentenceI m writing goeslikethis As much asIlove the pure sciences I knownow a well rounded education is valuable

But the words know and now are so similar that every timelread.
