Recently one of my friends told me that there is distinct difference between knowof something and knowabout something expressions

knowof is used whenyouhave personal experience with wha Feb 25 2012 Whatis the correct usage of phrase youdon tknow what youdon tknow ? Can it be used in formal conversation writing? Feb 23 2015 Knowin 1 refers to the clause that comes right before it so there s no pronoun necessary it s essentially a transform ofl knowit s your job

In 2 however the object ofknowis not indicated asyoupoint out so something must be provided Possible duplicate of Knowabout vs. knowof

AlsoWhatare the differences between know knowabout and knowof? on English Language Learners which is probably a better site for questions like this Dec 7 2019 Ifyou knowabout a subject youhave studied it or taken an interest in it and understand part or all of it

Hire someone with experience someone who knows about real estate Jun 9 2024 Why doyouthink that He doesn tknowhim from his schooldays means that he doesknowhim? It would only have that sense ifyouadded something like In fact he first met him at university I m confused in whether to writeknowor knows in the following statement The ones who are includedknowbetter

? Also explain the difference between the two thanks Jul 6 2018 Doyou knowthat he will be our coach? Doyou knowif he will be our coach?Ithink both sentences are grammatically ok just meaning two different things

In the first sentence it s decided th For me knowimplies knowledge of details or individual pieces while am aware of implies a knowledge only of a whole. Using your example knowing my rights means thatI know Ihave the right to remain silent the right to be represented by an attorney etc

Being aware of my rights might mean the same thing but implies thatI knowthatI do have rights but am not surewhatthose rights are Jan 3 2017 The sentenceI m writing goes like this As much asIlove the pure sciences I knownow a well rounded education is valuable

But the words know and now are so similar that every timelread.
