Apr 7 2021 Does anyone that go goesto my gym know knows if they re open? What to use and why. Also is this correct did anyone that go to my gym knew if they re open? Mar 13 2020 I am quite confused about how to use Heregoes or Hereit goes

For example what if anything is the meaning of the following phrase Heregoesnothing! Jul 15 2019 Who does go there now a days? Whogoesthere now a days? My book said sentence 1 is incorrect while sentence 2 is correct can anyone please explain this? Oct 14 2021 Someone commented Wolfram Alphagoesbrrr I hope I remember the comment correctly

By the way Wolfram Alpha is an advanced engine to compute something related to maths and preferable to use rather than solving by hand. So that s the context

I ve done searching for a topic related to this phrase here Sep 15 2019 to go to something If you are discussing a topic with someone and use the phrase Xgoesto something Itmeans to show or reveal or explain something about a situation. Itis often used by people like talk show hosts or TV presenters

And yes itis perfectly usable

I have no idea whenitstarted being used When you start a sentence with a clause based on as timegoesby the second clause describes what happens as the time is passing and soithas to be of the same tense as the as timegoesby clause Apr 30 2021 The phrase Whatgoesaround comes around means the someone s behaviour towards other people will amount to their behavior towards this man or woman akin to the Karma principle or the Bible you rea Mar 16 2019 The subjunctive is mainly reserved for expressing desire.Inthis case itis I think hegoesto school

But note that English does like to use continuous tenses to describe ongoing actions so if you wish to convey that he isinthe middle of the process of going to school you will say I think he is going to school Since Heregoes performs much the same roleinOP s context it s quite natural to use both methods to make absolutely sure you have the full attention of your audience May 9 2024 a He usuallygoesto school on time Usually modifies goes or b Hegoesto school usually on time

This needs the comma which I have added. usually on time is an after thought. Itis a free modifier or sentence adverb which modifies the whole of the main clause which is Hegoesto school.
