Oct 5 2025 It may feel good to declutter and help others there are some items that people don't want or that could be dangerous here's whatyoushouldneverdonate Feb 23 2025 Donating is a wonderful way to help others but not everything in your homeshouldend up in adonationbin

Some items simply aren't suited for donation either because they're in poor condition or they pose a risk to others

It's important to be mindful when choosing what to give away so you're not passing along things that could cause harm or create unnecessary clutter for others Jun 18 2025 This is the donation boomerang effect. You give something away thinking you're helping but it comes right back to the charity as a cost

First volunteers have to spend precious time sorting through unusable junk time they could have spent on the charity's actual mission Jul 26 2025 Some donations do more harm than good

Here are 10 things you should never give to Goodwill even if you think they'll be helpful. You might think somebody could benefit from hazardous materials like pesticides or household chemicals you're not using but they belong firmly on the things to never donate list

These items are considered hazardous waste and should be properly disposed of at designated hazardous waste facilities or through local HHW programs Feb 8 2025 Not all items can be donated! Discover 17 surprising things charities won't accept learn the best alternatives for responsible disposal Aug 26 2024 Local thrift store employees told me they throw out heaps of things every day because people don't understand there are some things you shouldn't donate Dec 18 2020 To be sure that the items you donate will go to a worthy cause rather than being tossed for something easily avoidable like can dents or expiration dates note the things you should avoid donating Feb 23 2025 Personal hygiene products like used razors, toothbrushes and opened bottles of shampoo should never be donated

These items can pose serious health risks and charities usually cannot distribute them

If you have extra unused hygiene items look for donation programs specifically for those products but always ensure they're new and sealed. 10 Oct 22 2021 After you throw away anything broken or damaged you can host a yard sale to make a few extra bucks sell valuable items on eBay or Facebook Marketplace and then donate the rest

But before you head to your local Salvation Army Goodwill or non-profit donation center keep in mind that there are some things you should never donate.
