InkedMagazine is a celebration of tattoo culture and the people who shape it. We explore the intersection of ink art music fashion and lifestyle highlighting stories that go beyond the surface Since 2004 Inkedhas been the definitive voice of tattoo culture evolving into a global multi media empire

The 2025InkedOriginals champion will now be featured in the pages of an upcoming issueetched in print for millions to admire Jan 2 2019 INKEDtalks to tattoo artists around the globe about the ins and outs of the UV tattoo trend that s flooding Instagram feeds

Black light tattoos are created using ultraviolet reactive ink Nov 4 2022 Id say the one thing we can tie into the earlier part where we talked about the Eiffel Tower and how it ties intoInkedmagazine is that Im somebody who really really thinks about my tattoos and really thinks about branding overall because branding not only has to do with your product that is separate from youyou yourself are a Feb 24 2025 While Wade has performed at the Grand Ole Opry collaborated with everyone from Kip Moore to Diplo and has star studded fans she tells us she has now just checked off another bucket list item being featured inInked DecemberInkedGirl of the Month Danis Full Body Tattoos and Life on a Rescue Farm December 14 2025 To her ink is all about self expression

Skyes efforts to push herself outside her comfort zone paid off when she was namedInkedCover Girl 2022. She celebrates her heritage by dancing at powwows and memorializing her ancestors on her body Feb 12 2025 From MGK to Miley Cyrus tattoo trends spark cultural appropriation debates

Learn why research and respect are crucial before gettinginked Jul 3 2024 Theinkedicon says she started the blackout process when she reached out to tattoo artist Hoode via Instagram and invited him to her studio to tattoo her forearm

I just couldnt explain how satisfying it was to see all the messes he would clean up with his blackout tattoo work she says Mar 28 2022 Experience the rhythm ofInked s 2022 Music Issue. Get a sneak preview of the chart topping rapper Gunna s story and more!.
