Uniview Dahua Amcrest at discounted rates with warranty! Jul 4 2021 3. Do you know a link to the firmware history changes atipcam.xin so we can know what was changed improved fixed in the update to see if it worths the update? 4

Do you have the 256 preset list for this Device Type C6F0SoZ3N0PdL2 Model B8D WIFI 5MP 5X ? Thanks again and have a great day and stay safe

All the best This tool will generate a password reset code which you may use to reset a forgotten admin password for a Hikvision camera A collection of free tools to assist in IP Camera installation

Open Port Checker IP Tracer Calculators more Jun 17 2023 This little tool sends your Blue Iris Alert images and mp4 videos to your Telegram chat. Backstory Since I developed AI Tools a few years ago Blue Iris nicely integrated AI analysis

The only big thing missing for me was the possibility to send Alert images to my Telegram account

So I Jul 4 2021 I need it because I have upgraded to V19.1.61.16.19 20210508 provided byipcam.xim and post from iwantosee but this version made worst the initial position and holding the preset positions saved after resetting or other

I didn t find any way to contactipcam.xim team nor the firmware developers or this model camera manufacturer
