Jul 1 2022 ISIS Islamic State of Iraq and Syria also known as ISIL Islamic State of Iraq and the Levant is a Sunni jihadist group with a particularly violent ideology that calls itself a caliphate and claims religious authority over all Muslims

It was inspired by al Qaida but later publicly expelled from it

RAND terrorism experts have analyzed the group s financing management and organization Feb 12 2021 The United States used airpower in Syria and Iraq to halt ISIS s momentum and help defeat the organization without committing a large number of ground forces RAND ISIS Twitter Sep 25 2017 The campaign to counter ISIS has made significant progress but predictions of the group s demise are premature

It is transitioning from an insurgent organization with a fixed headquarters to a clandestine terrorist network dispersed throughout the globe Feb 4 2015 A grisly video released yesterday by ISIS appears to show Jordanian pilot Muath al Kasaesbeh burned alive in a cage

Why the shift away from beheadings? What does the execution mean for Jordan? What implications will it have for ISIS? Dec 11 2018 The importance of social media in projecting violent extremist propaganda and recruiting foreign fighters is well documented

As ISIS attempts to regroup and recuperate investigating its use of information and communication technologies could be important to understanding the group s plans to regain territorial control May 18 2016 A thorough examination of the Islamic State s history and practices is useful for designing a coordinated and effective campaign against it and for understanding why the group might be able to survive such an effort and sustain itself in the future Aug 12 2019 Since 2013 Egypt has been engaged in the Sinai Peninsula against a deadly ISIS affiliated insurgency

To make headway the Egyptian government could focus on providing services in the region and repairing its relationship with citizens Jan 9 2018 Satellite images show how ISIS attempted to govern in Iraq and Syria the economic damage the group left behind and what it will take to rebuild Feb 5 2021 Some argue that airpower could have been applied more vigorously in Operation Inherent Resolve to have more quickly defeated ISIS

Airpower was essential but ground forces led by Iraqi and Syrian partners were needed to destroy the Islamic State as a territorial entity.
