Jan 23 2025 We know that Worf's family are part of a noble Klingon house the house of Mogh. The House of Mogh was dishonoured due to the Duras family falsely accusing Mogh of collaborating with the Romulans during the Khitomer Massacre

This caused Mogh and his descendants to become dishonoured socially Jul 8 2014 Worf was adopted and raised by humans in Russia on Earth so Worf gravitated to Starfleet but he knew he was Klingon

Worf had the pride of the Klingon and wanted to belong to his people but he grew up on Earth and was basically reared by Starfleet values

Ironically I always figured Worf to be the one true Klingon we consistently saw Apr 28 2008 Ninth in a series of threads asking TNG fans to name their favorite episodes scenes moments or lines between two main TNG characters

I am putting forward the view that every main character pairing in TNG has at least one and almost certainly more than one great moment among its 178 Jan 3 2025 Worf/Troi was great because it never existed. It was a parallel universe a hallucination a virus and an alternate timeline

God herself said No! Worf/Jadzia was fine but kinda boring. Worf/Ezri was even more boring. Ezri/Bashir was whatever. I stopped caring

Ezri/Jake now that's the spice Feb 6 2025 If Worf never came to Deep Space 9 or if he wouldn't get together with Jadzia for whatever reason do you think she and Julian/Bashir would get together? For a time at least? How would that go?

Especially how that would influence the events of Doctor Bashir I presume? Apr 7 2008 Consider Worf's arrival on DS9 in season 4

The producers had to reroute their storyline with the Dominion in order to include the Klingons to the whole theme of upcoming war

Was Worf's arrival on the show a good decision a decision that benefited both the show and the character or was it Sep 29 2017 Alexander probably said four/tee/two/oh/five anyway. And was conceived back when Worf and K'Ehleyr really were an item rather than during The Emissary

Reunion is remarkable for completely omitting any scenes where Worf would demonstrate or discuss surprise at the existence of Alexander. Still doesn't mean he'd grow up at human pace Apr 7 2019 Klingons and Romulans living in peace together. The Romulan commander seems like a kind caring person

Worf shows up and causes dissent among the children and shows his prejudice towards Romulans simply because he is filled with hatred. Worf says he brought the children Jul 25 2017 Maybe both Worf's are the same except his brain state got replaced
