I ordered a black stainless beverage refrigerator a white one was delivered I immediately called the salesperson and received an email from him saying he was sorry for the mistake and sent me a form to fill out and email to costumer service Dec 16 2024 View up to date forum discussions about Canadian Appliance Source

STAY AWAY people working at Canadian Appliance Source are big liars. they list the online product prices and then when you chat with them online they will give you a higher price

Worse they will change the web price higher and ask you to check the web price again Feb 16 2015 Canadian Appliance Source Service Experiences Canadian Appliance has been mentioned a fair bit here RFD when it comes to appliances and I m wondering how their customer service has been lately Sep 27 2017 Bought a new GE stove at Canadian Appliance Source Etobicoke on Aug 28 2017

It was delivered on Sept 7 2017. On quick inspection it looked fine Jan 26 2011 Stay away from Canadian Appliance Source In the beginning of December 2010 I decided to buy a pair of appliances from them refrigerator and a dish Nov 21 2009 Stay far away from Canadian Appliance Source

The worst buying experience of my life. Bought a washing machine. Delivery was delayed. Eventually 4 weeks later it was delivered

On the first use it did not work. I contacted the store the day it was delivered they sent me a dead on arrival form and said a technician would need to check the We bought all the appliances for our new home from Canadian Appliance Source last Friday

We paid 15% deposit but the salesperson did not set a delivery date. We went home and realized that the fridge is too large for our front door even with the door off

We also read about the bad experience about this store on delivery and return policy May 24 2020 Canadian appliance store is the worst supplier and I bought the electric stove from them and had issues and wanted to exchange with in 3 days of.
