many men attracted to preteens? I was doing a school project for psychology
class and came across this study

2014 4 27 pm Yep jailbait is called that for a reason. They re attractive to
normal men but they re under the age of consent

I find it incredible that any rational intelligent human being could assume that
the age of consent equals an age of acceptability for attraction Aug 22 2015 I
then explained to him for literally HOURS about how those pictures are helping
the exploitation of young girls and that the 12 or 13 year old girls in the
pictures did not intend for their pictures to be on ajailbaitwebsite for creeps
to gawk at Jun 11 2018 Call it a dumb thing and move on

You re not a guy to go hitting onjailbait leave it at that live and learn. I
mean I ve fapped to possibly underage images before. I decided that was
somewhere I didn t want to go so I stopped. Just as you did

At no time have I been tempted to beat myself up over it because I made sure I
didn t do that again Jul 20 2015 but 2 weeks ago all of this rose up again and i
started to think i am a pedophile

because of what i did when i was younger but also because about 1 2 yrs ago
while surfing the inet for 18+ footage on a fitness forum i encountered jailbait
pics

these are pics of teenage girls prob around 13 17 yrs of age Mar 12 2019 First
off I think it s pretty normal at your age to still find teenagers attractive
and an option although legally jailbaitis highly discouraged

We are hard wired to glom onto youth fertility and beauty Jul 10 2020 And you
