Aug 19 2011 Welder Series supplies professional quality kits and parts welded and ready to weld to save you time and money. Two slogans have been part of Dorothy and Paul Horton s business and personal lives and will continue with Welder Series K.I.S.S

Keep It Simple and Safe and We want to help you enjoy building your project. About Our Kits Now it s a Paul Horton Welder Series under floor mount set up with their curved brake pedal through the firewall

I ve also added in 2lb residual valves both front and back disk brakes on all 4 corners a Wilwood adjustable proportioning valve and a Hurst linelock all of which were not there before

All the brake lines are copper nickel Feb 7 2020 In 2005 apparently Paul Horton sold his shop with the name to Paul Barber who operates it as Feb 7 2015 This is a Paul Horton s Welder Series sway bar kit that I installed in my 32 Ford frame

I did add the bearing pillow blocks for support and had to shorten the arms a bit to make everything fit. The kit is really designed to have the levers on the outside of the frame rails with the bar going through nylon bushings and one lever end is splined and the other lever is pinned and welded

Due to Nov 21 2021 Frame Center Section by Paul Horton Welder Series Discussion in Parts For Sale started by coop46 Nov 21 2021 Dec 16 2008 Welder Series Model A Frame Discussion in The Hokey Ass Message Board started by WelderSeries Dec 16 2008 Jul 1 2008 The other thing you may be interested in attending at both shows are the tech sessions where Paul Horton will be conducting seminars on chassis brackets

At Syracuse I will be assembling and welding our parts in the Haun Welding Supply booth to show how easily and quickly you can build your own hot rod parts

Thanks for your interest DW Horton Welder Series Inc Jun 27 2011 Im going through the same thing with my 46 and since ive used the paul horton welder series crossmembers before <http://www.welderseries.com> blog online store ws14540 Jan 2 2023 Anyone know a company that makes custom length tie rods

I need one 30 and 1 4 with RH and LH 11 16 18 threads Apr 27 2020 krgdowdall Member from Alberta Check out Paul Horton Welder Series I believe they have just what you are looking for. Part No 35010 and Pt No 35012 krgdowdall Apr 27 2020 SHARE POST 14.
