JoiPlay is a rpg maker emulator that lets you play rpg maker games on your phone Feb 3 2023 I've been developing a game called fap instructor for quite some time and wanted to get the word out

It's a JOI generator that scrolls through subreddit media content while feeding you preconfigured instructions r JoiPlay JoiPlay is a rpg maker emulator that lets you play rpg maker games on your phone. It is currently released on play store

but not on app Jun 18 2024 There wasn't a dedicated space for foot related JOIs so this was created. Please keep posts relative to feet and instructional related

Femdom CEI JOI JOE SPH etc all welcome as long as feet are involved! No advertising unless there is a full length OC video accompanying it Hey r JOI I hope you enjoy the app here's a sample prompt to get you started

Edit the end of the prompt to your liking and feel free to include any specific instructions or fantasy. Just be specific for the best experience

Please comment any feedback and desired characters!! Hey lets do a JOI count down from 15 on each message count down by 1 and send a descriptive message about May 17 2017 This is a place to post videos pictures stories where you are encouraged to enjoy your happy ending

This is still very early access but hey now you can try it! The link to the game {edit I have updated the game with a new mobile friendly UI and fixed the most annoying bugs}

The video player is better but it'll still need some changes. Have fun! Aug 29 2021 JOIP Engine is a software for creating and playing JOI Jerk off Instruction projects basically a visual novel engine

The highlights for this version 1.1 include A Help overlay that can interactively display help based on clicked engine component. Kink tag lists for
