Mar 12 2015 For others the topmost position of anything is its head and come to a head adds the concept of increasing differentiation between the head and the rest

That s way more semantic similarity than an idiom needs consider kick the bucket
Mar 11 2023 1 The head of a phrase determines two things what sort of dependents can appear in that phrase and what functions that phrase may take on in other phrases clauses etc

For example noun phrases may have as dependents determiners and may function as subject in a clause and object in a verb or preposition phrase Jul 17 2015 By the 1990s pooppy head was described in the Illinois newspaper The Pantagraph as a popular childish insult on the same level as booger face butt head and snot brains

Norquist is not the first to speak of calling someone a pooppy head as shorthand for political mudslinging and name calling Mar 24 2021 I ve just come across the pejorative term Cloth Head and beyond pure speculation here on WordReference Language Forums that it s related to the term clot head

The more familiar term is cloth 7 To have your head in your ass means to ignore problems around you usually by not seeing or not wanting to see them

To get your head out of your ass means to start noticing those problems and stop ignoring them May 13 2022 Few online dictionaries seem to provide the origin of this phrase

The Collins dictionary says see head sense 22 but clicking on that link reveals that sense 22 refers to the phrase do your head in which is unrelated to drugs. The Wikipedia article notes that in 1966 Jeff Glick opened Head Shop on East Ninth Street in New York City

I know it originates from head shrinking but it doesn t help me a lot to understand the etymology. Why are psychiatrists called that? Is it like my head is swollen [from anguish misery stress Mar 16 2012 There is static head pressure head and dynamic head

A head of steam refers mainly to pressure head

This is the pressure of steam in the steam drum of a pressure usually propulsion for trains or steam ships boiler after it has been fired to anything above atmospheric pressure and thus has the ability to do work Mar 17 2021 The verb poll originally meant cut someones hair a clear extension of the notion of top or head the derived pollard [16] denotes an animal with its horns removed or a tree with its top branches cut off this later developed to cut evenly across
