s sides in the matter although I ultimately think Julia was in the wrong. Some
of Jess s behaviors can be described as pick me as well

The whole I m soOoOoOo qUiRkY schtick can become a little exhausting Aug 24 2022
Jess baked cookies and Cupcakes and after Julia said she doesn t have desserts
she put one on her. Jess was the one doing the whole I m not other girls thing by
not having a real conversation with Julia and just singing making weird noises

I agree that eventually it got better but Julia wasn t in the wrong as well Aug
