4chan is an anonymous English language imageboard website

Launched by Christopher Moot Poole in October 2003 the site hosts boards dedicated to a wide variety of topics including video games television literature cooking weapons music history technology anime physical fitness politics and sports among others

Registration is not available except for staff and users typically Apr 30 2025 The anonymous forum thrived when edgelord content wasn't acceptable on more mainstream social media

Today it can be found most anywhere Apr 23 2025 The hacker posted screenshots allegedly showing 4chan's back end source code and templates to ban users said Tech Crunch along with a list of the names of 4chan moderators and janitors or Apr 22 2025 It's likely that there will never be a site like 4chan again

But everything now from X and YouTube to global politics seems to carry its toxic legacy Apr 22 2025 The controversial online message board 4chan has remained offline for nearly a week following a reported hack that exposed moderators and backend systems Apr 27 2025 It's back on Predictions of 4chan's death were precipitated after nearly two weeks offline following a major breach the notorious forum has resurfaced

Despite leaked internal files Apr 17 2025 4chan the internet's most notorious website was reportedly hacked on April 14 and has been down ever since

Image courtesy Britannica The internet's dark basement the litterbox of the online world the birther of memes the web's containment zone 4chan was always infamous. But now it is dead 4chan was founded by Christopher Moot Poole when he was just 15

A regular user on slightly less anarchic comedy site Something Awful Poole wanted to give Western anime fans their own Apr 27 2025 4chan is back after a nearly two week shutdown but it still has some serious problems For better or for worse the contentious imageboard isn't going down without a fight Apr 27 2025 Imageboard 4chan has returned online after a 10 day outage caused by a hack exploiting outdated software confirming system updates and the removal of its f board.
