Aug 27 2024 Dear BearB12 Good day! Thank you for posting to Microsoft Community

We are glad to assist! Based on your description I understand that you want to know how you can block emails in Outlook vs just sending them to junk. Blocking will prevent any future emails from that sender from reaching your inbox Aug 20 2024
Received an E mail Junk Mail from my own account

How do Hackers Scammers do this? Hello pervert I've sent this message from your Microsoft account. I want to inform you about a very bad situation for you.
