Hello everyone I just purchased a Xiaomi Mi 9T Global to run it with Nethunter. I follow the whole procedure but I have some problems I can t figure out how to solve

This is what I have done Unlock the device all OK Flash fresh OTA official image from Xiaomi site MIUI 12.0.2.0 Hi Now that I haveKalisetup on a 10in Samsung laptop main OS I wondered if you can set up the Alfa card to Monitor Mode permanatelly so you don t have to configure it everytime you turn on the laptop

Many thanks. Michael.
