trueSo November 26 2025 empty slot turned out to be the movie s release date. 2025 was my overly optimistic date. I honestly thought that more likely was 2026 but anyway. We ve got the date! Now the best part is months of teasers the first trailer date leaks and so much other stuff

Let s keep our fingers crossed that Zootopia 2 will still have what made the Apr 15 2024 With the movie seemingly having entered production I can t keep these feelings bottled up anymore

I have to say it I m worried about Zootopia 2 Feb 13 2023 What are your biggest worries for Zootopia 2? With the sequel to our beloved animated film officially being announced there has been a lot of excitement circulating around the fandom with various people sharing their hopes for the follow up that s been a long time coming The predation culprit now in police custody requests to speak to Nick and asks for asylum in Zootopia knowing that he will likely be scapegoated blamed and punished for the sake of saving the leaders own skins

The scalie leaders responsible are deposed and the new ones sign a new treaty to ensure a flow of water to their nation Sep 4 2023 IF you wish to have a Zootopia themed series of discussions through the filter of political ideas I invite you to open your OWN subreddit and post there

Maybe someone will follow you there and two or three can complain about modern audiences or modern ideas and start singing about how The old La Salle ran great to a piano tune Dec 6 2023 52K subscribers in the zootopia community
