Search millions of videos from across the web Find videos on Google with advanced search options to refine your search results You can find video results for most searches on Google Search. To help you find specific info some videos are tagged with Key Moments

Key Moments work like chapters in a book to help you find the info you want

Important Key Moments are added by video creators or in some cases Google may detect the content and add Key Moments automatically Explore millions of videos from the web with Google's video search platform Rechercher et utiliser des temps forts dans une vidéo Important Les temps forts ne sont pas disponibles dans certaines vidéos

Si aucun temps fort n'est indiqué il est possible que cette fonctionnalité ne soit pas active pour cette vidéo Find videos faster When you start a search on YouTube you can find what you're looking for more quickly with automated suggestions. These are called search predictions

These predictions come from possible search terms related to what you're looking for and what other people have already searched for. How search predictions work Search the world's information including webpages images videos and more

Google has many special features to help you find exactly what you're looking for What factors influence how videos are recommended? YouTube systems are influenced by a viewer's watch history a video's performance engagement metrics and external factors that ultimately try to help viewers reach you

We recommend Focus on what your audience likes. If you do that and people watch there recommendations will follow The shelf prioritizes reporting videos. Raw footage of a news event commentary or opinion content or satire may appear less often on the Breaking News shelf

Top News shelf in Search If you search for a specific news story on YouTube you may notice a Top News shelf in your search results How YouTube search works YouTube has a tremendous amount of video content over 500 hours are uploaded every minute! Without a robust search function finding what you need would be nearly impossible

That's why YouTube's search ranking system is designed to help you quickly find what you're looking for. YouTube's search ranking system.
