Mar 11 2025 Why are people so anxious of joining Anguish parties? Anguish 1 for instance isn't much different from regular ult setting Jun 8 2019 Anguish is simply provided as a way to challenge yourself but also have some fun hunting common weapons

As you the increase in Anguish level setting the monsters also become stronger in the following ways May 4 2025 NOW you see the temptation that is Anguish ! Once we reach Ultimate when creating a room we get the option to choose Anguish 1 10 to increase the difficulty even MOAR! Anguish also grants the Sadist slightly modified perks~! like drop % s etc Jun 2 2019 Anguish is a great idea but a flawed one

Being able to play a difficulty above one where you pretty much steamroll everything makes the game more interesting long term to me but Anguish should also be consistently challenging and rewarded

Rewards started off fairly insignificant for going Aug 30 2023 Seeing that anguish has been changed almost completely recently I'd like to update my recommendations

Note that previous threads of mine most notably where I say that the weapon pattern is all the way up to 3 3 3 in the first half of each episode and 4 4 4 on the 2nd half of each episode on Oct 29 2023 Hello. I would like to know the drop rate of photon drops PD obtained if I defeat an enemy

difficuluty Ultimate The wiki says 1 375. However the Auguigh article says +0.15% by increasing Anguish by one level and when Anguish is level 1 the drop rate of PD is 0.95%

Calculating Feb 9 2022 Anguish Anguish is a Diablo III inspired game mode unique to Ephinea that allows players to challenge themselves with increased monster difficulty. There are ten Anguish levels and any of them can be accessed by any character at Level 80 or above just like Ultimate mode

Anguish is exclusive to Nov 20 2021 Section IDs are classifications assigned to characters upon creation in Phantasy Star Online. A character's section ID determines which items will drop from monsters

Each section ID has a set of items that drop from each monster and some items will only drop for characters of certain IDs Jun 1 2022 Just came back a few days ago from a long break was hoping to find a team to join

Noticed they added something new Anguish which wasn't there when I played back then and been having a lot of fun messing around in there solo but would like to potentially go higher with a group at some point Jun 23 2023 Number 2 Anguish
