Controversial Q A Add a Comment May 2 2023 I have had a personal encounter with
KeanuReeves he is absolutely a genuine regular guy he will not allow himself
above others

He was at my place of work. He had been working on a project for a while and
blended in with the employees was kind and thoughtful and humble. He asked for
nothing while there and waited for coffee with the rest of us. Just very kind to
everyone

Truly a good.
