A small entrance hall or passage between the outer door and the interior of a house or building. 2. An enclosed area at the end of a passenger car on VESTIBULEdefinition a passage hall or antechamber between the outer door and the interior parts of a house or building

See examples ofvestibuleused in a sentence Dec 14 2025 vestibule pluralvestibules architecture A small entrance hall antechamber passage or room between the outer door and the main hall lobby or interior of a building

[from the 17th c.] quotations A vestibule refers to a small entrance hall or an anteroom that serves as a transition space from the outside to the inside of a building

This space plays a crucial role in both functionality and aesthetics making it significant in various architectural designs A vestibule is a little area just inside the main door of a building but before a second door

You often find vestibules in churches because they help keep heat from escaping every time someone enters or exits If you're having issues with a trust contactourSanMarcosrevocable trustslawyerstoday for the legal help you need Need a lawyerinSanMarcos California?
