6 days ago I havent seen manyKyliemovies outside of Street Fighter and Biodome growing up and let me tell you she was the standout for me in both

This was before I knew she sang! And then her cameo in Moulin Rouge! is also one my favorite parts to this day we deserved the Absinthe Medley in the Nov 4 2025 Kylieis chasing commercial success and mainstream relevance. Drum Running and Heavenly Body arent going to get her there

The loyal fan in me enjoys watching her succeed commercially. But the realist in me understands that theres a limit to her daring at this point in her life and I am better off adjusting my expectations Nov 4 2025 Tension actually feels like aKylierecord her DNA is running all the way through it

With a couple of exceptions Part II feels like a bunch of last minute cast offs submitted to her

She could have made a really great album diving deeper into Tensions dance soundscape but that was not it Nov 4 2025 Is any part ofKylie s career served by going even slightly leftfield at this point? This entire upward trajectory is kind of down to going as middle of the road as possible

I also just don t think there s a precedent that justifies it outside of what one album thirty years ago? Also Tension II was intelligence insulting garbage but I think Tension had plenty of well made interesting Nov 4 2025 A UK Christmas chart top three consisting ofKylie Wham and Mariah? Nov 4 2025 After breaking records with 2025s Official Christmas Number 1 single XMAS KylieMinogue s 11th chart topping albumKylieChristmas Fully Wrapped is on the up expected to jump +16 to 13

Always nice to see aKyliealbum rise up the charts

The 1 single has been excellent promo for the parent album itself Nov 4 2025 Although Xmas has slipped to 4 its sales have gone up to 04 64 418KylieMinogue XMAS While the album 20 4 940KylieMinogue KylieChristmas FullyWrapped Nov 4 2025 One thing i observed recently and really like about all the editions ofKylieChristmas is she didnt cover any of your traditional carols ie Oh Holy Night Silent Night ect Yes she s always steered away from anything religious thankfully

I wouldn t be surprised if she was an atheist and Dec 18 2025 Act 2 follows the birth of SexKyliefeaturing the ROL golden quartet obvs references on the screen about Michael her clubbing for the first time in London etc 3rd Act about the lean years and a slight backlash death of Michael accompanied by some introspective IndieKylie tracks covering decon years Nov 4 2025 This has probably been explained but what was the benefit of this being Amazon exclusive?
