Aug 30 2011 94 Ich liebe dich is stronger and more profound than Ich habe dich lieb. The difference is hard if not impossible to translate to English or only with some extra language acrobatics but in German there is indeed a difference
Jul 8 2018 Would you say for example Bin ich dir zu laut? or Bin ich zu laut für dich? Relatedly how do you know to use accusative vs

dative when it English is unclear such as That's too late for Nov 20 2018 Ich lerne Deutsch und habe Probleme mit dem Unterschied von mir mich und dir dich. Ich weiß nur mit Gefühl welches Wort ich verwenden muss und oft mache ich es falsch

Zum Beispiel Ich wasche Ich danke Dir This is always correct and Ich danke Dich is always incorrect. The receiver of something is always in Dativ. Note that Dativ comes from Latin do dare dedi datus which means primarily to give

So Dativ is literally the case you use to describe the act of giving to someone Nov 15 2014 In this thread it has been pointed out that Ich liebe dich and Ich habe dich lieb are both strong statements the former is reserved for the significant other such as boy girlfriend wife husband while the latter for somewhat close and beloved family members May 25 2011 Im südlichen deutschsprachigen Raum genauer im Bairischen Sprachraum Bayern Österreich {außer Vorarlberg und Aussers Rode Tirol} und Südtirol teilweise noch in Bairisch Schwaben Dec 26 2021 My question is what is the purpose of dich in this sentence? I tried to translate the sentence without dich into English through Google Translate and it seems they both mean the same May 31 2017 4 Is the dir in Ich glaube an dich

in accusative case while dich in Ich glaube dich. in dative case not the other way? I encounter this in Duolingo and it seems very quirky and counter intuitive
Dec 24 2017 Ich muss dich etwas fragen

Duolingo If the above is wrong so is the premise of this question so please correct it if needed! Does this sentence not have two direct objects? Why does the Jemandem anrufen is about the activity of picking up the phone and calling a number

Mit jemandem telefonieren is more about the actual conversation that is conducted on the phone VoIP included. Anrufen is a very short activity whereas telefonieren can last for anything from a few seconds to several hours

Ich habe dich gestern mehrmals angerufen aber es war immer nur der Anrufbeantworter.
