Developers may customize the story by providing OG meta tags but it s up to the user to fill the message. This is only possible if you are posting on the user s behalf which requires the user authorizing your application with the publish_actions permission

AND even then Jul 28 2021 In the facebook developers console for your app go to App Review > Permissions and Features. Set the public_profile and email to have advanced access. This will allow all facebook users to have access and these two settings are auto granted

Ensure the Access Level indicates Advanced Access Dec 11 2020 application_id needs to be Valid Facebook Ad Asked 5 years ago Modified 1 year 7 months ago Viewed 51k times Feb 24 2017 The Facebook SDK for Unity gets the wrong key hash

It gets the key from C \Users\ your user .android\debug.keystore and in a perfect world it should get it from the keystore you created in your project Learn how to create a Facebook share link without using JavaScript including tips and solutions for effective sharing I am trying to extract the url for facebook video file page from the facebook video link but I am not able to proceed how

For example The facebook video url I have is https www.facebook nerdandco videos 1662140250706521 May 26 2016 We are being asked to set the OAuth redirect URI for Facebook as shown below in the instructions to set up Google Firebase to use Facebook login. We clicked in every menu for our app

Where is May 9 2013 Note that with using the Facebook SDK your users are being tracked only by visiting your site they don t even need to click any of your Share or Like buttons

The answers below suggesting only a simple link a href solve this issue 124 I have a Facebook Page that I want to get some things from it. First thing are feeds and from what I read they are public no need for access_token

But I want to also get the events and they aren t public and need the access_token

I don t want the user to login in Facebook or anything like that Facebook downloads the audio and the video separately so get the audio link from the google chrome inspector by right click on the video and choosing inspect going
