Feb 22 2019 The plural possessive is ladies. Lady is singular so if you were referring solely to one woman s shoes it would be the lady s shoes. As for your second question I m assuming you re referring to a group of women in your salutation of them so it would be Good morning ladies

And as you re addressing them directly the comma preceding ladies is necessary Hence there is no ambiguity with the men and for the same reason no ambiguity with the ladies. Ladies is the plural form of lady so the apostrophe goes to the right ladies

If you are wondering why we don t write ladies s it is because ladies is one of the exceptions along with girls parents players weeks and even Klingons Both Ladies Beer and Ladies Beer are acceptable but there is a slightly different implication depending on which you use

Ladies Beer is written in the possessive form and thus implies ownership Closed 13 years ago

In addressing three people in an email isn t it more polite to use their names rather than Ladies ? Also when you walk into a quad cubicle isn t it more polite to address people by their names? Grouping people together when there are only three is treating them as interchangeable and is disrespectful isn t it? Ladies and gentlemen everyone [nothing] friends folks team Avoid mixing and matching both hey there ladies and gentlemen let s rock! and S up honoured guests? are kind of weird

Not impossible to use but definitely an expert technique. It s fine to say Good morning folks though Apr 27 2016 The metrical pattern of ladies and gentlemen consists of arguably two dactyls

A dactyl is a group of three syllables where the first is stressed and the second two are unstressed Apr 28 2014 The tradition of Ladies First was originally a case of men being nice to women by voluntarily giving up their right to precedence

As oerkelens has stated this would only be the case in safe situations as it wouldn t be nice to send a woman ahead into danger Dec 2 2021 Ladies Captain means the Captain responsible for Ladies Golf elected to represent the Lady Members at Club and County level and to fulfil [sic] any requirements of the relevant Golf Association Mar 27 2019 Hearing the usual greeting on a train I started wondering if there is already an established alternative to Ladies and Gentlemen that is applicable beyond the male female classification

For ex 10 Apart from guys which is fine and the most obvious choice as others have mentioned you could use ladies which has a tinge of both irony and flattery.
