Feb 22 2019 Theplural possessive is ladies. Lady is singular so if you were referring solely to one woman s shoes it would be thelady s shoes. As for your second question I m assuming you re referring to a groupofwomen in your salutationofthem so it would be Good morning ladies

And as you re addressing them directly thecomma preceding ladies is necessary Hence there is no ambiguity withthemen and forthesame reason no ambiguity withthe ladies.Ladiesistheplural formoflady sotheapostrophe goes totheright ladies

If you are wondering why we don t writeladies s it is becauseladiesis oneof theexceptions along with girls parents players weeks and even Klingons Both Ladies Beer and LadiesBeer are acceptable but there is a slightly different implication depending on which you use

Ladies Beer is written inthepossessive form and thus implies ownership Closed 13 years ago

In addressing three people in an email isn t it more polite to use their names rather than Hiladies ? Also when you walk into a quad cubicle isn t it more polite to address people by their names? Grouping people together when there are only three is treating them as interchangeable and is disrespectful isn t it? Ladiesand gentlemen everyone [nothing] friends folks team Avoid mixing and matching both hey there ladiesand gentlemen let s rock! and S up honoured guests? are kindofweird

Not impossible to use but definitely an expert technique. It s fine to say Good morning folks though Apr 27 2016 Themetrical patternof ladiesand gentlemen consistsof arguably two dactyls

A dactyl is a groupofthree syllables wherethefirst is stressed andthesecond two are unstressed Apr 28 2014 Thetraditionof LadiesFirst was originally a caseofmen being nice to women by voluntarily giving up their right to precedence

As oerkelens has stated this would only bethecase in safe situations as it wouldn t be nice to send a woman ahead into danger Dec 2 2021 LadiesCaptain meanstheCaptain responsible forLadiesGolf elected to representtheLady Members at Club and County level and to fulfil [sic] any requirementsof therelevant Golf Association Mar 27 2019 Hearingtheusual greeting on a train I started wondering if there is already an established alternative to Ladiesand Gentlemen that is applicable beyondthemale female classification

For ex 10 Apart from guys which is fine andthemost obvious choice as others have mentioned you could useladies which has a tingeofboth irony and flattery. Most women appreciate this.Ladiesis best accompanied by slightly exaggerated
