Sep 12 2025 What's the difference between a layover and a stopover? A layover is a short stop less than 24 hours internationally or less than 4 hours domestically between flights. A layover in long-distance travel by train or intercity bus is a break that a passenger must take between vehicles in a multi-vehicle trip or while changing the mode of transportation. A layover flight often simply called a layover is an intermediate stop during your journey when you're traveling between two destinations.

Instead of flying directly from point A to point B, you make a stop at point C along the way. Sep 17 2024 If you're flying internationally, a layover is said to be a stop for less than 24 hours, whereas a stopover is defined as spending more than 24 hours in a city. Mar 19 2023 Basically, a layover is the time an airline gives you to change planes between flights. Feb 2 2024 For passengers, a layover occurs when you briefly change planes on your way to your final destination.

While the normal duration of time spent between flights can change between domestic and international layovers, the principle remains the same. A break of less than a day is almost always a layover. Dec 14 2025 A layover is a short connection under 24 hrs internationally, under 4 hrs domestically.

A stopover is a more extended break over 24 hrs internationally over 4 hrs domestically, often planned intentionally. Oct 26 2023 What does a layover mean on a flight? A layover is an intermediate break in your flight route in between your departure airport and final destination.

During a layover, you arrive at a new airport, deplane, and wait 45 minutes to 24 hours inside the airport for your connecting flight. Feb 3 2025 A layover is a short stop at an airport between flights on a multi-leg journey.

Instead of flying directly from Point A to Point B, a layover means you land at an intermediate airport before boarding another flight to your final destination. LAYOVER definition 1. a short stay in a place that you make while you are on a longer journey to somewhere else. 2. a. Learn more.
